BOE-442-IFTA REV. 3 (2-05)

Above is your International Fuel Tax Agreement (IFTA) license. This license is issued by the California State Board of Equalization (Board) under the terms of the International Fuel Tax Agreement (IFTA). This license is valid for qualified motor vehicles operated by the licensee in all IFTA jurisdictions.

This license, or an exact copy of this license, must be carried in the cab of each qualified motor vehicle registered under the California IFTA program. Along with this license, each vehicle must display one set of valid California IFTA decals on the exterior portion of the truck's cab; one decal on each side. In lieu of the IFTA decals, a valid California International Fuel Tax Agreement (IFTA) Temporary Decal Permit (form BOE-442-T) may be carried in the cab of the vehicle.

If you do not carry a copy of the IFTA license or do not display the IFTA decals in the required locations on the vehicle(s) (or carry in the cab a valid California IFTA Temporary Decal Permit), it will subject the vehicle operator to the requirement to purchase a fuel trip permit, issuance of a citation and/or imposition of a fine, and possible seizure and sale of the vehicle.

As a holder of this license, you accept certain responsibilities. You must keep adequate records that document the amount of fuel purchased, used, or stored; the amount of fuel tax paid; any fuel use that is exempt from tax; and the number of miles your qualified motor vehicle(s) operated in all IFTA and non-IFTA jurisdictions. Generally, you must keep records for four years.

You must file an IFTA Quarterly Fuel Use Tax Report (form IFTA-100/101) no later than the last day of the month following the quarterly reporting period. You must file your report with the exact miles traveled and gallons consumed during the reporting period. You must file your quarterly report even if you did not purchase any fuel or operate your vehicles in any IFTA jurisdiction during the reporting period.

Your license is valid only for the entity named and type of ownership specified (for example, sole proprietorship, corporation, partnership, limited liability company, etc.). You should notify the Board immediately if you make ownership changes, sell your business, stop operating, or otherwise close your California IFTA license account. Upon closure of your account, you must destroy this license and all copies and remove all related decals issued by the California State Board of Equalization from your vehicles.

This license is valid only if issued by the California State Board of Equalization. Any agent or other person who alters or otherwise produces unauthorized fuel tax credentials is creating fraudulent documents, the use of which may result in civil liability, criminal prosecution or revocation of the license.
